PROFESSIONAL PROFILE

Economist and fiscal analyst with experience developing quantitative models, analysing complex data, and translating evidence into clear reports and briefings for policy, public, and academic audiences. My work spans public finance, labour markets, inequality, housing, and health.

POLICY AND ANALYTICAL INTERESTS

Public finance and fiscal policy; labour markets and inequality; economic modelling, forecasting, and applied data analysis.

PROFESSIONAL EXPERIENCE

Fiscal Analyst Sep 2026–Present

Scottish Fiscal Commission, UK

Economic and fiscal analysis supporting the Commission's independent forecasts and assessments of the Scottish Budget, including model development, report production, and engagement with policy officials.

Postdoctoral Research Associate Apr 2024–Aug 2026

Durham University, UK

Leverhulme Research Grant: Causal evidence on the economic effects of neighbourhood segregation.

Adjunct Lecturer Jan 2025–Jun 2025

University of Glasgow, UK

Research Fellow Apr 2023–Apr 2024

University of Birmingham, UK

Lecturer (part-time) Aug 2022–Mar 2023

University of Stirling, UK

Research Assistant for Dr Rebecca Mancy Sep 2022–Dec 2022

University of Glasgow, UK

Assessing the suitability of using OCR to extract data from historical administrative records.

Research Assistant Jul 2020–Sep 2022

University of Glasgow, UK

ESRC Research Grant: Assessing policy to address the medium-run impact of COVID-19 on income and health inequality with models informed by the history of disease outbreaks.

Consultant Feb 2021–Jul 2021

World Bank Group

2021 Mauritius Productivity Report.
